

Join Public Health Awakened and the Spirit of 1848 Caucus at APHA!

Come connect with others pursuing social justice and public health at this outdoor social hour.

# Resistance and Connection: Social Hour at APHA

**Monday,  
November 7th**

**6pm - 8pm**

**Six/West**

(outdoors on the rooftop deck with heat lamps)

**6 W. Broadway, Boston**

Hosted by  
**Public Health Awakened  
and  
Spirit of 1848**

After 2 years virtual, we're getting together in Boston for an in person, outdoor social hour. Come see familiar faces or meet new accomplices.

Learn more about the Public Health Awakened and Spirit of 1848 networks and how they can support you in your public health and social justice work. We'll have opportunities to take action together.

**This is a free event with light food provided and a cash bar for drinks.**

You don't have to be registered for APHA to join.

**The event will be all outside with heat lamps and we ask that attendees be vaccinated. Given how packed these events can get, we ask that folks mask when in crowded moments (e.g. huddling around heat lamps) if not actively eating or drinking.**

**RSVP at**
